FINANCE DEPARTMENT.

Revised, 1st 26th January 1925.

No. F-35-C-B-11-24.—In exercise of the powers conferred by Regulation 15 in Schedule IV to the Superior Civil Services (Division of Pay and Pensions) Rules, 1924, the Governor-General in Council is pleased to make the following supplementary regulations to govern the drawing of benefits under these rules from the General Savings Fund.

PART I.—PASSAGES BY SEA.

(1) Every application by an officer for a passage by sea shall be made to the audit officer by whom his pay is booked, provided that if the officer is in Europe the application shall be made to the High Commissioner for India. If the application is made to the High Commissioner, the officer must present with his application a certificate from the audit officer certifying the amount in the General Passage Fund at the credit of such pay when a passage is to be taken.

(2) The application shall specify the persons for whom it is desired to secure passages. If the audit officer or the High Commissioner, as the case may be, is satisfied that any benefit is admissible under the rules, he will furnish to the applicant a certificate stating the maximum cost of the passage which may be engaged for each rank or rate at the charge of the General Passage Fund.

(3) When the officer engages the passage or passages he will present to the steamship company the certificate and, on receiving the ticket or tickets will give the company a receipt or the form prescribed showing the amount actually engaged, the persons for whom engaged and the cost. If the cost of any ticket should exceed the amount stated in the certificate, the difference must be paid by the officer himself.

Note 1.—Although the benefit admissible from the General Passage Fund is limited to the cost of passages by P. & O., an officer is free to choose the line of steamer by which he will travel.

Note 2.—Nothing in the wording of the supplementary regulations is intended to restrict the employment of agents in booking passages or in other transactions with the steamship companies.

(4) If for any reason the officer, after obtaining the certificate but before presenting it to the steamship company, finds that he does not desire to use it, he should return it without delay to the audit officer or the High Commissioner, as the case may be.

(5) If the officer, after presenting the certificate to the steamship company, cancels the passage which he has engaged, he should at once inform the audit officer or the High Commissioner, as the case may be, that he has done so; he should also take steps to obtain back the certificate from the steamship company and return it to the audit officer or High Commissioner.

(6) If the officer engages a passage which he has engaged by a transit receipt he is liable for taking such action as may be necessary to prevent the forfeiture of any sum which may have been paid to the steamship company on his behalf by Government. If, however, the audit officer or the High Commissioner, as the case may be, authorizes payment to the steamship company on advance, by way of deposit or otherwise, he will advise in writing to the officer the fact of his having done so. Otherwise, the audit officer or the High Commissioner, as the case may be, is responsible only for checking the admissibility of the claim and for making payment to the steamship company of the cost of the passage.

PART II.—JOURNEY BY LAND.

(1) Every application by an officer for the benefit permissible under Regulation 4 shall be made to the High Commissioner for India. As an exception to this general rule, if the officer obtains from the steamship company in India a through ticket covering the overland journey he may make himself to the audit officer in India for the whole journey including the cost of the journey by land.

(2) No claim is admissible in respect of a railway journey performed in India and the country of destination, provided that a journey commencing on a through ticket to or from London may include a claim in respect of the journey between London and the Channel port.

(3) The amount payable in respect of a journey by land shall be an amount equal to the cost of an ordinary first-class railway fare by a direct route.

(4) The application shall specify the persons for whom the benefit is claimed and shall state the facts of the claim in sufficient detail to enable the High Commissioner to satisfy himself that the prescribed conditions are fulfilled. The officer shall be bound to furnish such further information as the High Commissioner may require for this purpose.

(5) In the case of a journey from India the claim should be accompanied by—

(a) a declaration signed by the officer that the land journey was actually performed by the persons on whose behalf the claim is made; and

(b) a certificate, which the officer should obtain from his audit officer in India, showing the amount to which he is entitled in respect of the journey from India and the cost of the passage actually engaged.

Note.—If an officer intends to present a claim to the High Commissioner under the regulations he should in his own interests take steps to obtain the certificate referred to in clause (b) before he leaves India.

(6) In the case of a journey to India, the officer shall submit to the High Commissioner a declaration stating the route by which he, or the person on whose behalf he makes the claim, intends to travel.

PART III.—GENERAL.

In regard to special cases the Governor-General in Council may sanction such modification of the procedure prescribed in these regulations as he may deem to be necessary.

DEPARTMENT OF AGRICULTURE.

THE CROSSLANDS CROP OF MILLS-ENGINE OR FINAL REPORT.

¹ [On an average of the two years ending 1923-25, the area under crossland in the Madras Presidency has represented 45.1 per cent of the total area under groundnuts in India.]

The area sown with groundnuts in the Madras Presidency in 1924-25 is estimated at 1,212,504 acres against the estimate of 1,200,000 acres on the corresponding date of last year. The last estimate fell short of the finally recorded area of 1,211,500 acres by only 9,000 acres. The area in an average year is estimated at 1,200,000 acres.

2. The area under groundnut now exceeds that of last year by about 1 per cent. It is the highest area reported since 1914-15. The increase is fairly general except in Bellary, Anantapur, and Coimbatore where dry years replaced groundnut in some extent owing to the severity of last year and in Bellary and Tanjavur, owing to rain being too late in parts for sowing. The crop has been steadily gaining popularity in the Coimbatore, especially in Coimbatore and parts of Kistna.

3. The main harvest of the crop is over. The crop in Coimbatore was affected by the heavy rains of November. The crop was slightly affected by drought in Anantapur, Chingleput, South Arcot, Salem, Tiruchirappalli, Madurai and Tanjavur. In Anantapur, the crop yielded only 55 per cent of the average. Yields, almost or slightly above, are reported from the other districts.

The annual failure for the Presidency works out to 24 per cent of the average against 32 per cent in the last year. On this basis, the yield is estimated at 262,800 tons against 241,500 tons in the last year, an increase of 21 per cent. The yield in an average year is estimated at 455,000 tons.

NOTICE OF CANCELLATION OF DEEDS OF FREE FOR FOREIGN LIQUOR LICENSES.

No. 5.—The following notification is issued in pursuance of Notification No. 5, dated 19th
January 1924, published in the Port St. George Gazette, Part II, dated 20th January 1924:—

In pursuance of the power conferred on him under section 4 (p) of the Madagascan Act, 1923,
the Commissioner of Native Land Possessions, under notice 31 of the said Act, the following notice for
regulating the issue of licenses as laid down for the corresponding licensing, selling and sale of
potable foreign liquor, locally-made foreign liquor and occasional toddy arrack from and after the 1st
April 1925 within the limits of the Madagascan Presidency:—

1. The term 'foreign liquor' in these rules includes all wines, spirits and beer imported into
the Presidency by sea or land; plain rectified spirits imported as locally-made and on which the tariff
rate of duty has been paid; and beer brewed in India or beer imported in a condensed form and
otherwise rectified into potable beer and duly bottled, but excludes locally-made foreign liquor,
distilled spirits, occasional toddy arrack and refinery arrack. In the case of liquors in casks, staves,
drummers and other unproved lines or persons, however, for the sale of pure rectified spirits only,
the term 'foreign liquor' means pure rectified spirits imported from foreign countries by sea or
as rectified in this country and entered at the tariff rate of duty.

'Locally-made foreign liquor' is spirit manufactured or compounded in British India and made
in either Malabar or elsewhere in India, wholly or partly imported from foreign countries. It is
entered at Rs. 15-0-0 per proof gallon; its sale is permitted in all foreign liquor shops except those
licensed for the exclusive sale of beer, medicinal wines and rectified spirits.

'Occasional toddy arrack' is spirit manufactured from toddy at the Chagrin distillery in
Malabar and entered at Rs. 15-0-0 per proof gallon; its sale is permitted in all foreign liquor shops
except those licensed for the exclusive sale of beer, medicinal wines and rectified spirits. The
maximum limit of private possession is two imperial gallons.

Notes.—The minimum strength at which imported and locally-made foreign spirits are to sold is 50° P.P.F. (in
gals. 50° P.P.F. in Ceylonese arrack and occasional toddy arrack and 50° P.P.F. for all other kinds of spirits including Indian
arrack, except medicinal spirits).

'Indian' beer is beer brewed in India (a) which contains at least two bushels of malt and two
pounds of hops per imperial gallon and in the manufacture of which pyrites or acids were never
employed; (b) which is brewed at a higher original gravity than 1.040 in a standard hydrometer
and (c) the maximum price at which the brewery is Rs. 60-0-0 per imperial gallon plus the excise duty
in force at the time of sale.

2. Licenses for the sale of foreign liquor, locally-made foreign liquor and occasional toddy arrack
shall be of the following descriptions:—

1. *Wholesale license for the sale of foreign liquor, locally-made foreign liquor and occasional toddy arrack
and its drunk on the premises.*—There will be issued on an annual fee of Rs. 200 in Madras and
Rs. 250 in other districts, at the discretion of the Collector. Under these licenses the sale of liquor in
quantities less than two imperial gallons or a dozen repeated quart bottles or ten dozen repeated
pint bottles of each kind at a time is prohibited. The holders of this license will have the privilege of selling
in licensed houses only samples of liquor in quantities not exceeding one pint. In Indian towns,
holders of this license will not be allowed to sell 'Indian' beer. Holders of this license are
prohibited from selling occasional toddy arrack in bulk to private persons in Malabar districts and
are permitted to sell it to such persons only in Indian, Arab and labelled in accordance with the
licensing rules.

2. *Retail license for the sale of foreign liquor, locally-made foreign liquor and occasional toddy arrack,
not to be drunk on the premises.*—There will be of two kinds—one for the sale of all kinds of foreign
liquor, except 'Indian' beer and locally-made foreign liquor and occasional toddy arrack and the
other for the sale of beer brewed in India.

3. (a) The former will be issued at the discretion of the Commissioner and Collectors on
payment of an annual fee of Rs. 1,000 in the Nilgiris except Coimbatore, at Rs. 500 in
the town of Madras, Rs. 500 in towns having a population of 25,000 and over and
in Kodakur, Yercaud and Coimbatore and Rs. 250 in the rest of the Presidency.
Under these licenses the sale of liquor in a quantity less than one repeated quart and
greater than two imperial gallons in one transaction will be prohibited.

(b) Retail licenses for the sale of beer brewed in India will be issued to successful bidders
for beer shops on payment of an annual fee of Rs. 50.

III. *Valid license for the supply of samples in hotels and boarding houses.*—There will be of two
classes and subject to a payment of an annual fee of Rs. 200 in the Nilgiris, at Rs. 100 in
Rs. 50 in the Nilgiris, and at Rs. 50 or Rs. 25 in the rest of the Presidency, as may be each case may
be determined by the Collector. No liquor may be sold under these licenses otherwise than to residents
in hotels and boarding houses for their own use and that of their guests, or to mixed villages requiring
liquor with the usual or local supply in those.

In Madras a holder of a hotel license desirous of selling a sample and maintaining in his hotel a bar
or bar-room, on payment of a monthly fee of Rs. 100 for a first-class bar or Rs. 50 for a second-
class bar, be granted a separate license to be called a bar license. This will cover the sale of foreign
liquor, locally-made foreign liquor and occasional toddy arrack under the same conditions and in the
same extent as the former license.

* The maximum price of Indian beer at the Bangalore Brewery will be Rs. 10 per imperial (including duty) and
the price will be regulated to align with those reached here from that brewery during 1924-25.

† Note.—In places where there are beer shops, holders of retail licenses for the sale of all kinds of foreign liquor
except Indian beer will be permitted to sell beer brewed in India on English principles only as before as detailed in the
Brewery at which it was brewed.

In Madras, special law licenses will also be issued to others than holders of hotel licenses with the previous sanction of the Commissioner. The fees in such cases will be fixed by the Commissioner and the licenses will entitle the holders to sell to all persons.

(v) *For refreshment-rooms, restaurants, &c., under the supervision and control of, selling companies and proprietors or managers of houses of public entertainment for the supply on the premises of liquors by such companies or sell firms.*—The annual fee payable for such license will be fixed by the Commissioner from time to time. Under these licenses liquors may be sold to such persons, or to other persons agreed with regular orders on the usual form for consumption on the premises or any portion thereof, provided that no more than one imperial quart of spirits or two imperial quarts of any other kind of liquor sold at the refreshment-rooms may be sold at one time to any such person for removal from the premises.

(vi) *For refreshment-rooms in which the sale of liquor is indirectly combined with the supply of meals or of articles prepared and served in the European manner.*—The annual fee will be Rs. 20 in Madras and Rs. 75 in the rest of the Presidency. It will at all times be subject to the sanction of the Collector in substance of the description of it. It should appear that the sale of liquor to persons who have not permission of meals in the refreshment-rooms is permitted in such cases, or is indirectly that the refreshment-rooms may fairly be classed as taverns. Sales of liquor for removal from the premises will not be allowed under these licenses. The permission to be used for the sale of liquor under these licenses must be at least of the monthly rate in value of Rs. 50 in Madras and in Deccanized and Coorg Municipalities and of Rs. 25 in the rest of the Presidency.

V. *General licenses*, such as licenses for the sale of refreshments, stills in connection with new buildings and public entertainments. These will be granted by Collectors at their discretion for periods not exceeding ten days at one time and at such fees not exceeding Rs. 100 in each instance, as they may determine. No removal of liquor from the premises will be allowed under these licenses.
